

2021 BLUE EARTH COUNTY FAIR SUMMER SLAM

Demo Derby Rules and Regulations

FRIDAY DEMO DERBY RULES

“GUT & GO”

*DO NOT READ INTO THESE RULES AT ALL.
STOCK AND SIMPLE BUILD. KEEP IT THAT WAY.*

For questions about rules contact Kollin Lange at (507)-766-5031.

1. Vehicle must remain completely stock. This is meant to be a quick build class with no modification or swapping of parts. No motor swaps allowed must be stock to the make of car. GM to gm, Ford to ford, mopar to mopar. No welding tranny mounts and motor mounts down at all. Must be all bolted in.

2. No welding allowed except driver's door and differentials. (May add seat support bar and dash bar inside vehicle post to post, inside door bars attached only to dash and seat bar on driver's side and passenger side, optional.) Halo bar allowed but must be attached to seat bar or door bars only.

There will be no pre cutting, pre bending, of any kind to any part of the body or frame. This includes fender wells, pre bending rear quarters, notching the frame, and tucking the trunks.

3. Strip vehicle as normal. Vehicle must be totally stock appearing. 12" Fire hole in hood required.

4. Can relocate electrical boxes and move toggle switches to inside the car. Rod/ tranny mount shifter allowed. Headers allowed. These aftermarket parts are not allowed- cable shifter/pedal, brake pedal, sliders, steering, lower cradles and so on and so forth.

5. Remove gas tank and mount a steel tank in inside center of vehicle, securely fasten down and covered.

Battery must be moved inside of vehicle securely mounted away from any door, and covered. Must be safe or won't run.

6. Two chains per vertical door seam. Four chains per hood. Rear hatch and trunks 4 total hold downs max. 2 chains can be used around bumper to hold it on vehicle. No reinforcement.

7. All suspension and struts must be stock. 2 leaf spring clamps total, per spring. No chaining or welding of suspension.

8. Automotive 6 Ply tires max allowed. No skid loader, industrial, implement or ag allowed.

Snow tires and donut spares can be used. Air inflated only. Valve stem protectors allowed, must be flush to the rim.

9. All airbags must be removed and disabled.

10. Stock bumpers must be used, original to vehicle.
