December 2019

As the 2019 Blue Earth County Fair has come to an end and we begin to plan next year's Fair, we as a Fair Board are reaching out to you for your support.

Let me take a few minutes to introduce myself. My name is Robin Tietz and I am the current Fair Board President and have held that position now for three years and it has been my honor and privilege to serve this county in that capacity. I have been involved with non-profits for most of my life either as a volunteer or as an employee. Let me tell you that through this work, the rewards have been amazing to say the least. So that is why I am reaching out to you and your business seeking your help as we begin to plan the 161st Blue Earth County Fair and, might I say, we are one of the oldest in the state. Through support from past donors, we have been able to host this event that brings enjoyment to so many people in our county and not only enjoyment, but also a sense of rural Minnesota at it's best.

The mission of the Blue Earth County Fair is "...to provide facilities to accommodate a variety of activities. These facilities will be designed and maintained to serve the activities and needs of 4H youth, individuals, community, and government groups as well as businesses. The primary objective of the Association is to promote, plan, and put on an annual Fair for the benefit of 4-Her's, youth, and adult residents of the Blue Earth County: allowing them to showcase their accomplishments and talents in a safe family atmosphere while providing activities, entertainment and learning opportunities to the diverse residents of the Blue Earth County and surrounding areas."

Your help can be in many forms and the most obvious is through momentary donations including advertising in our Premium Book. We ask you to look at your upcoming budgets and see if there is room to become a sponsor of this amazing event and to become a part of something bigger than you could ever imagine. Maybe you would like to sponsor a particular event or entertainment venue—the possibilities could be and are endless. Secondly, through volunteering to help on one of the 4 days of the Fair in areas like Front Gate welcoming people to the Fair, parking attendants, and grandstand volunteers are just a few of the many opportunities that are available and need assistance in. Finally, maybe you or your business would like to be a vendor at our Fair—showcasing your business and telling our Fairgoers what your business is and what it is about promoting and bringing customers in your doors. Maybe there are areas that I have not mentioned, but you're thinking about doing—something like this we are open to any and all ideas.

Again, thank you for the opportunity in sharing our vision and our mission with you and it is my hope that as you begin to plan for 2020, you consider becoming a sponsor of the Blue Earth County Fair and all that it has in store for the 161st year. If you have any questions or would like to set down and talk please do not hesitate to give me a call (507) 420-5689.

Hope to see you at the Fair!

Sincerely,

Robin Tietz
President
