

BLUE EARTH COUNTY FAIR: GROUNDS FOR GROWTH

Moving the Blue Earth County Fair near Mankato will provide a much better opportunity to **serve families** in Blue Earth County than the present location.

Moving the Blue Earth County Fair near Mankato will allow the Blue Earth County fair board to better **teach and promote agriculture** in Southern Minnesota.

A new location will offer a better opportunity to **serve youth** in a new age of the agriculture industry.

We want to continue a century and a half of **good works and tradition** produced by generations of dedicated Blue Earth County families and organizations.

We can better provide educational and cultural opportunities for a better **quality of life** in Blue Earth County.

This will benefit agriculture industries and **all diverse businesses** in Blue Earth County.
